

YOU'RE INVITED

RISE at Rutgers Research Symposium

WEDNESDAY, AUGUST 1, 2018

Busch Student Center

604 Bartholomew Road
Piscataway, NJ 08854

RISE at Rutgers
Research Intensive Summer Experience

The Research Intensive Summer Experience (RISE) at Rutgers program and its partners are nationally acclaimed 10-week summer research experience for outstanding undergraduates. Sponsored by the School of Graduate Studies, RISE and its partners have recruited and mentored students from diverse backgrounds for over 18 years, helping them pursue advanced research, enter highly-competitive graduate programs, thrive in corporate and industry careers, and succeed as scientists, scholars, and professionals.

- 9:00 Registration and Coffee
- 9:30 Welcome
